

SHARN: CITY OF TOWERS

INDEX SUPPLEMENT

This index is a supplement to the Sharn: City of Towers accessory for the Eberron CS by WotC. There are several indexes all to ease up your work to find what you are looking for. If you have anything that you wish to have added, changed, deleted or anything related to this compilation please contact me at my mail Daniel_r@rixmail.se The lists here in contains general information found in Chapter 2 called Life in Sharn (Sharn: City of Towers) Also I would like to thank Jakko (Sanavin) who was the one who more or less told me to undertake this little project. Yeah I know, I am such a slave. :-) But I wouldn't have done it if I didn't find it to be fun. Also a thanks goes out to Stradh who is hosting this little file and a hello to the rest of the guys over at Worlds.
